

HMS First Day of School Reminders

Tomorrow is the big day and we are excited to see everyone!

Just a couple of quick reminders:

- The AM session will begin at 8:00am and begin releasing at 11:00am.
- The PM session will begin at 11:55am and begin releasing at 3:00pm.
- Students being dropped off / picked up by parents need to be dropped off / picked up on the school side of Jackson Street (front of building).
- All students will meet on the field prior to the start of their session where they will meet their teacher. Because all staff will be outside, classrooms will not be accessible.
- AM breakfast and PM lunch will be available in the cafeteria 15 minutes prior to the start of each session. Students eating meals at school should proceed immediately to the cafeteria at the back of the building.
- We ask students not eating at school arrive as close to their start time as possible to facilitate social distancing.
- Once on the field, students are asked to find their teacher's sign on the fence and line up (5th grade – blue signs on the fence on the back of building side; 6th grade green signs on the fence nearest the playground).
- Face masks are required for all students, staff and visitors.
- Social distancing will be practiced to the extent allowable.
- Because the water fountains will not be available to students, we encourage your student to bring a resealable, non-glass water bottle they can fill at the bottle filling stations.

In an attempt to help us keep everyone healthy, we ask that you screen your student each day prior to sending them to school. If your child exhibits any of the following, we ask you to keep them home:

- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches

- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

We can't wait to see everyone tomorrow – we have missed you!

Sincerely,
Lonni Smith

Principal

Hacker Middle School
